## **9. Upcoming Events**

- It was decided to participate in National Night Out on August 3<sup>rd</sup>, Tom will host an event at his house on Miramar. Robert will host a site at his house on Richfield. Elizabeth recommended registering with the police dept. as they make every effort to visit all sites.
- 2<sup>nd</sup> Annual Donation/eWaste Collection Blood Drive will be held on Saturday, August 28<sup>th</sup>. Robert confirmed with Smythe European that due to construction, they can't offer the same site, but they did buy Circuit City and has offered that site instead. Stanford Blood Center is also on Board for that date. Still waiting to hear back from Salvation Army, (as of the meeting, but confirmed the date the day after the meeting.) Robert can not put in the time he did last year to promote, so will need much more help to get the word out. Robert will contact the city about putting up signs to keep the semi trucks from parking and blocking visibility from the street.

## **10. Future SCNA Activities**

- There was a discussion of ideas for a possible Ice Cream Social. Robert recommended doing it for National Night Out. The overall interested was low so no further progress was made.

- Carole mentioned a rat problem from the Blue Mango dumpster that is up against the dividing fence. Elizabeth said she would talk to Code Enforcement and coordinate with Carole to work on.
- Carole also mentioned that the bushes of two of her neighbors are still so large and overgrown over the sidewalk it blocks the sidewalk. Elizabeth suggested calling Code Enforcement on this as well.
- It was also mentioned that there is a house on Capistrano that has a car parked in their driveway that is blocking the sidewalk. Police were previously called. Elizabeth said if it's parked on the street then call the police, if it's on private property then call Code Enforcement.
- Pete's Office is going through and updating their database of contacts in District 1, and will be contacting EVERYONE in the database to confirm info, so please respond or you will get a call from someone in Pete's office.

- Annie mentioned that there is a huge mess of leaves in the crosswalk of the divider on Loma Linda at Capistrano. Street sweepers can't get in to clean that up. It was suggested that Annie work with the neighbors to sweep that stuff out to the street the night before the sweepers come through so they can pick it up.
